Dear Sir, Madame,

On 11-12.03.2026, we are going to organize an international conference in Warsaw within the European project: *MOBILECARE – social dialogue as a tool to improve the conditions of functioning of intra-EU labour mobility in home-based care services.*

During the conference we will provide simultaneous interpretation in Polish, English, Spanish, Italian and German - In total 8 interpreters and 4 interpreting booths with equipment. In addition, we would like to broadcast both days on our YouTube channel.

The offer should include technical support during the conference with at least: coordination of interpretation, 250 headphones for the attendances and complete streaming management.

If you are interested in providing the service, please send us your offer by the 27.02.2026

Thank you very much.
