Dear Sir, Madame,

On 13.02.2026, we are organizing an online event within the European project: *MOBILECARE – social dialogue as a tool to improve the conditions of functioning of intra-EU labour mobility in home-based care services*

During the meeting we will provide simultaneous interpretation in Polish, English, Spanish and Serbian - In total 6 interpreters and 3 interpreting booths with equipment.

The offer should include technical support during the online event including at least: coordination of online interpretation, operation of conference platform in Zoom and online registration.

If you are interested in providing the service, please send us your offer by the 03.02.2026

Thank you very much.
